RESOLUTION NO. 97-5

A RESOLUTION of the City of Wenatchee, and Chelan County, Washington, stating the intent of the Wenatchee City Commissioners and Chelan County Commissioners to create the Greater Wenatchee Bicycle Advisory Board, describing its formation, constitution and duties with regard to bicycling in and around the City.

WHEREAS, the bicycle is a popular and viable means of personal transportation; and

WHEREAS, the role of the bicycle as a mode of personal transportation in and around Wenatchee will continue to increase in importance in coming years; and

WHEREAS, the Wenatchee City Commissioners and Chelan County Commissioners intend to give due regard to bicycling as a means of transportation and recreation as the said Commissions develop and implement plans for transportation from this time forward and desire advice from those people who are especially interested and knowledgeable about bicycling; and

WHEREAS, the City and County Commissions intend that a comprehensive bikeway plan be developed and adopted in order to promote the use of bicycling as a mode of urban transportation in and around Wenatchee; and

WHEREAS, the Loop Trail has already been established and is heavily used for recreation and transportation but safe and convenient bicycle access routes have not been identified and developed at this time; and

WHEREAS, traffic congestion, limited parking facilities, increasing fuel costs, concern for personal health, and energy shortages have combined to make the bicycle an increasingly attractive alternative to use of the automobile; and

WHEREAS, promoting the safety and well-being of those who use bicycles for all transportation purposes is a responsibility of both the County and the City; and

WHEREAS, the active involvement of the bicycle enthusiasts in the form of an organized board to advise municipal authorities is vital to insure proper development of the bicycling environment and any comprehensive bikeway plan in and around the City; NOW, THEREFORE,

THE CITY COMMISSIONERS OF THE CITY OF WENATCHEE AND COMMISSIONERS OF THE COUNTY OF CHELAN, DO HEREBY RESOLVE AS FOLLOWS:

Section 1. Intent. That it is the intent of the City Commission of the City of Wenatchee and the Board of County Commissioners of The County of Chelan to create the Greater Wenatchee Bicycle Advisory Board (GWBAB) to advise the City Commission, the County Commissioners, and all departments and offices of the City and County on matters related to bicycling in and around Wenatchee including the impact City and County actions may have upon bicycling. Such Board shall have the opportunity to contribute in an advisory capacity to all aspects of the planning processes of the City and County insofar as they may relate to bicycling.

Section 2. Board Formation and Constitution. That the GWBAB shall be composed of nine members appointed by the Wenatchee City Commission, subject to confirmation by the County Commission. If no objection is made by the County Commission within twenty days of notice to the Commission of the appointment, the appointment shall be deemed confirmed. To be effective an objection must be made by a majority of the Commission.

Each member shall serve a term of three years; provided, that initially three shall serve one year and three shall serve two years so that each year three positions shall become available for a new or renewal appointment at the discretion of the mayor. Positions that fall vacant for whatever reason shall be filled for the remainder of the term pertinent to that position. No person shall serve more than two full consecutive terms.

The GWBAB shall serve subject to directives of both the City Commissioners and County Commissioners and shall receive technical support from City and County staff as may be required from time to time. The City and County will provide postage, copying and secretarial support as may be required for the functions of the GWBAB.

In appointing members of the GWBAB consideration shall be given to the following factors, as well as such others as may be deemed important to the Commissions:

- Place of residence of the candidate. Representation should be from the City of Wenatchee and the areas surrounding the City within the County of Chelan that interrelate in bicycle transportation planning. Likewise representation from the E. Wenatchee area of Douglas County is appropriate because of the interconnectedness of the areas.

- Membership in bicycling organizations.

- Concern and knowledge about safety in public transportation.
- Knowledge of the community.
- Actual experience with bicycle commuting and recreation in and around Wenatchee.
- Willingness to commit the necessary time to serve the community in this capacity.

A representative of the City Public Works Department shall regularly participate as a nonvoting member in the proceedings of the GWBAB and close communication shall also be maintained with the Chelan County Planning Department, Wenatchee Police Department and Chelan County Sheriff, as well as any other agency or department that may be affected.

Section 3. Duties and Responsibilities of the Board. That the GWBAB shall review and may develop proposals concerning bicycling and bicyclists in and around the City and advise the City and County Commissions, representatives from the pertinent City and County departments and offices.

Generally the GWBAB shall:

- a. Develop and propose recommended routes for bicycling in and around Wenatchee.
- b. Review and comment on all proposals that may affect bicycling in and around Wenatchee.
- c. Develop and review proposals and plans for spot improvements and bikeways.
- d. Promote improved safety and acceptance by educational efforts aimed at both cyclists and the general public.
- e. Gather and refer to design standards and other criteria that relate to bicycling safety, both for the participants and the general public, as well as security for equipment and convenience of use.
- f. Promote bicycling as a viable form of urban transportation as well as a recreational pursuit in the greater Wenatchee area.

Minutes of the proceedings of the GWBAB shall be taken, a summary shall be provided to the City and County Commissioners and the minutes shall be available to the public on request.
